Zoning Board of Appeals Application Procedures

A copy of the Zoning Board of Appeals (ZBA) Meeting schedule and the **filing deadline** for each meeting can be found on the Town of Concord website www.concordma.gov or a copy can be obtained at the Planning Division or ZBA Office. All hearings are open to the public, as required by law, and all applications submitted become public record. The applicant and/or his/her representative should plan to appear at the hearing.

Before the ZBA Application is filed.....

1. Review all new applications with a Town of Concord Building Inspector to ensure that the application is correct, complete and clear. Applicable site plans, building plans and any required documentation should be included for this review. Please be advised that it is the Applicant's responsibility to schedule an appointment for this review **at least one to two weeks before the application submission deadline** in order to avoid project delays.
2. **Review the Concord Zoning Bylaw before completing the application.** Copies of the Zoning Bylaw can be viewed and/or purchased in the Building Division at 141 Keyes Road on the second floor or found on the Town of Concord website www.concordma.gov. Locate the specific sections of the Bylaw that pertain to your application and enter these section numbers on the application form. Complete the "nature and justification of your request" section of the application form by specifically addressing the language found in that section of the bylaw that pertains to your application. Also, if a **special permit** is sought, reference Section 11.6 of the bylaw or if a **variance** is sought, reference Section 11.7 of the bylaw. Failure to cite or note the correct sections could cause delays for your project.
3. Fill out the ZBA Application completely in accordance with these Application Procedures and the appropriate Application Checklist so that there will be no ambiguity or uncertainty as to your intent in seeking approval of your application.
4. Certain types of ZBA Applications require recommendations and/or approvals from other Boards and Commissions. Some examples are:
 - a. If any portion of the property is located within one of Concord's Historic Districts and your application involves any visible exterior change to the property, contact the Historic Districts Commission Office directly. A Certificate of Appropriateness must be issued by the **Historic Districts Commission** before a decision will be rendered by the ZBA.
 - b. If a **Planning Board** review and recommendation of the application is required, additional copies of the complete ZBA application package must be submitted to the Planning Board at the same time that the application is filed with the Zoning Board of Appeals.
 - c. If any portion of the project falls under the jurisdiction of the Massachusetts Wetlands Protection Act, contact the **Division of Natural Resources Office** directly. A Determination of Applicability and/or an Order of Conditions may be required before a decision will be rendered by the ZBA.

On the day the ZBA Application is filed.....

1. Ten (10) copies of the application together with ten copies of all required documentation and plans are filed with the Town Clerk at the Town House at 22 Monument Square. The Town Clerk will date stamp each application, keep one copy and return nine copies to you.
2. At the same time that you file the application with the Town Clerk, submit one copy of the "Abutters List Request Form" to the Assessor's Office at 30 Monument Square in Suite 215. The Assessor's Office will calculate the number of Abutters to the property while you wait. The charge per Abutter is \$1.00 and must be paid to the Assessor's Office at that time. The Assessor's Office will later forward the list of Abutters to the ZBA Office and that Office will mail the Abutter Notices. The Assessor's staff will stamp a copy of the request form and give it back to you. This stamped copy is submitted to the Zoning Board of Appeals Clerk when you file your application.
3. The remaining nine copies of the application and documentation must be filed on the same day with the ZBA Clerk at 141 Keyes Road together with your check made out to the **Town of Concord** in the amount indicated on the Fee Schedule. (See below.)

Before the day of the ZBA Hearing.....

Follow up with the staff of other town boards, as applicable, to ensure that their review and recommendation of the proposed project will be available before your scheduled hearing date. All necessary reviews and/or recommendations to the Board of Appeals from other town boards/staff must be available before a decision will be rendered by the Zoning Board of Appeals.

If you determine that these reviews and recommendations will not be available by the Board of Appeals scheduled hearing date, you should request a continuance of the ZBA hearing, in writing, until such other board review and recommendation is completed.

Make plans to attend the hearing or arrange for your representative to attend.
